Anglia Ruskin University

Cambridge Ruskin International College

MBA with placement

Yes you can

Gain invaluable work experience as part of your course.

From September 2018, all full time students, will have the opportunity to undertake a year's work placement as an alternative to the postgraduate major project giving you invaluable experience to help you achieve your career goals.

We want to make sure that you're fully prepared for an increasingly competitive job market, helping you with the skills, knowledge and experience to make you highly desirable to future employers. This placement will allow you to put into practice what you have learnt on the course and gain real-life experience.

Course duration

12 month Taught MBA + 1 years paid work placement

International fees

£6,500 one semester Pre-Masters fee

£14,500 MBA total cost + £1,250 placement fee
