

# Your direct pathway to your UC International College

at the University of Canterbury

By choosing to study at UC International College (UCIC), you will have a pathway to a world-class University of Canterbury degree.\*

UCIC offers a unique education pathway in New Zealand that has a global 22 year history of student success. Located on the main campus at the University of Canterbury (UC), students have access to many of the world-renowned facilities that the University has to offer, while studying our unique and supportive programmes.

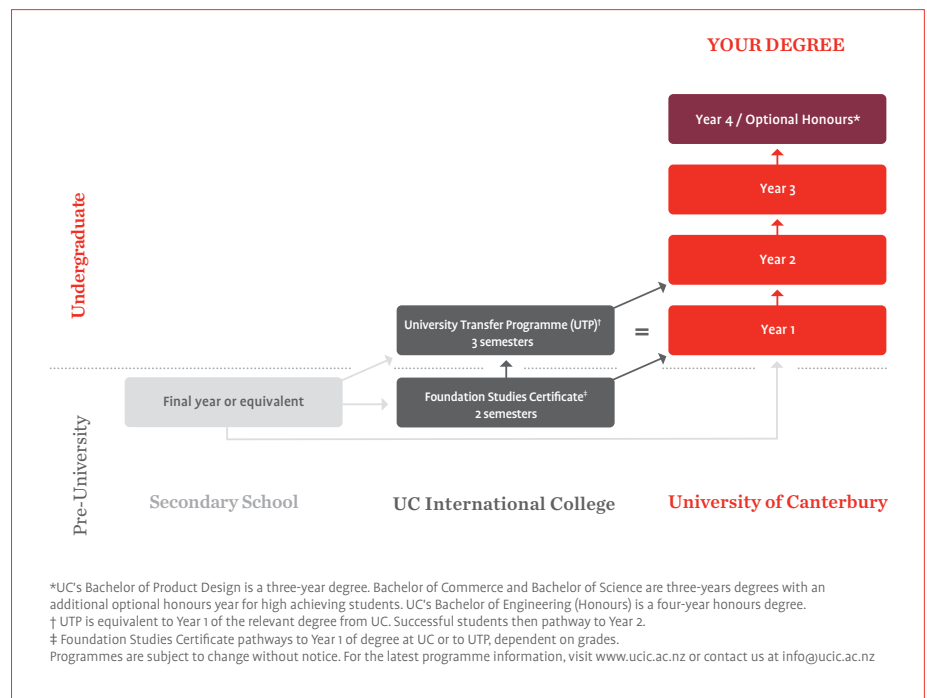

Get ready for an active, friendly and inclusive student life! With over 140 student clubs and societies on campus. Make friends, get involved in the community, enjoy favourite hobbies, or discover new ones!

UCIC's University Transfer Programmes (UTPs) are specially designed, supportive pathways that can save students time and money over more traditional pathway options on offer in New Zealand.

## As a UCIC student, you will:

- Be studying our unique and supportive programmes with smaller class sizes, experienced staff, and additional learning support
- Be part of a diverse and vibrant student population consisting of more than 100 nationalities
- Have access to many of the world-renowned facilities at the University of Canterbury
- Pathway to the University of Canterbury (UC), ranked in the Top 1% of universities worldwide\*\*
- Study in the vibrant and dynamic Christchurch City, the second largest city in New Zealand

\*Students have a guaranteed pathway to their chosen UC degree once they have fulfilled the admission and progression criteria at UCIC and UC.  
\*\*QS World Rankings 2018

*'UCIC is like my second home. The staff, lecturers and fellow friends here are like my family because they are super nice and friendly. Not only they help me with my study but also give me great advice for my social life. I really enjoy my life while studying here and thanks to UCIC, I never experience home sickness. Sometimes I forgot that I study in New Zealand because I feel so comfortable and happy here.'*

# Course information

## Foundation Studies Certificate

**Intake:** Feb, June, Oct  
**Duration:** 2 semesters

Foundation Studies Certificate is designed to help bridge the gap between high school and university entrance. Delivered in a nurturing and supportive environment, students will study eight courses to prepare them for their chosen degree at the University of Canterbury.

## UTP: Commerce

**Intake:** Feb, June, Oct  
**Duration:** 3 semesters

A commerce degree can be applied to almost any career and provides an essential knowledge base for management careers and for people who want to start their own business.

Students who choose Commerce at UC will have opportunities to gain real world knowledge through internships and competitions with the internationally renowned College of Business and Law at UC.

## UTP: Science

**Intake:** Feb, June, Oct  
**Duration:** 3 semesters

The facilities for Science students are world-class and include field stations throughout the South Island of New Zealand and Antarctica. Students will have access to cutting edge laboratories, 24-hour computer labs and specialist library collections. UC Science graduates are experts in problem solving, teamwork and communication.

## UTP: Engineering

**Intake:** Feb, Oct  
**Duration:** 3 semesters

Engineering is about problem solving and creative thinking. The College of Engineering at UC is internationally recognised and accredited, with programmes ranked in the top one per cent in the world. UC engineering graduates are highly employable and in demand. Students will complete work placement and internships as part of their degree, giving them essential real world skills and post study work opportunities.

## UTP: Product Design

**Intake\*:** Feb, Oct  
**Duration:** 3 semesters

UTP Product Design is equivalent to the first year of your undergraduate Product Design studies at UC. It offers students an alternative entry point into UC's Bachelor of Product Design, with more accessible entrance requirements and support options for international students.

Majors available through UTP pathway

- Industrial Product Design
- Applied Immersive Game Design
- Chemical, Natural, and Healthcare Product Formulation

*\*Commencement in Semester 3 2019, subject to confirmed numbers.*
